HOTWYRE

HOTWYRE™ is a drink for those who live the night like it should be – bold, free and unforgettable. Inspired by the euphoria of club culture, we decided to create something fresh and exciting in the shot space.

The kick of spice and sweet hit of cherry is perfectly mixed, just like a dance floor banger. We're all about uncomplicated enjoyment so crack open a bottle and let the good times flow.

Fifteen years ago, Jon and Nick founded Brand Harbour Ltd, a sales and marketing consultancy specialising in alcoholic beverages. After a few years helping clients successfully launch some high-profile gin, rum and cocktail brands, the boys thought they should launch a product of their own. Noticing that the shot category was somewhat dull and uninspiring, they created chilli-cherry HOTWYRE™ to give drinkers something much more exciting to enjoy.

So, let's pour a shot and toast the future together!

MONTE
STAMBECCO
MONTCALIERI PIEDMONT IT

BORN IN THE ITALIAN ALPS, SHAPED BY GENERATIONS OF SPIRITS MAKERS...

Monte Stambecco Spirits are distinctly alpine — uniting craft and charisma, tradition and boldness, Italian authenticity and modern design. The alpine reawakening of an entire category.

Stambecco is the Italian word for mountain goat — the fearless, sure-footed animal that climbs the highest peaks of the Italian Alps near our home in Torino, Italy. The Alps are the tallest and most iconic mountain range in Europe, home to legendary ski resorts, après-ski culture, and a way of life shaped by tradition and adventure.

Our Master Distillers Beppe Ronco and Denis Muni carefully craft Stambecco spirits in Piedmont, using herbs, spices, and natural flavours inspired by local ingredients. Each bottle tells a story of Italian heritage meeting alpine adventure — a spirit made for the summit.

AMARO

AMARO TRADIZIONALE

Stambecco Amaro is the anchor of the Stambecco Spirits. A classic Italian cola-driven amaro built on bitter orange, chinotto, warm spice, and layered roots.

It is balanced, dry, and versatile for when you want less sweetness and more structure.

Mix it long with soda, use it for a Black Manhattan, or switch it up with a Monte Pepper; Stambecco, Dr Pepper, lemon wedge. Amaro is the spirit that can be used night after night.

MARASCHINO

CHERRY AMARO

The Expressive Variation of the spirits is provided by Stambecco Maraschino.

This cherry-driven expression is built on the Tradizionale backbone and is layered with authentic marasca cherry distillate and dark fruit nuance.

It's higher proof, dry, and perfect for cocktails from twists on an Old Fashioned to Maraschino Spritz's.

TIRAMISU

DESSERT LIQUEUR

For an indulgent dessert digestivo, look no further than Stambecco Tiramisu. An Italian dessert amaro inspired by Italy's most iconic dessert. Built on coffee, cocoa, and vanilla, it's restrained sweetness with a clean finish. Perfect for post-meal and dessert applications from nightcaps to ice cream toppings, and makes a delicious Tiramisu Martini.

Starlino's recipe was made by Denis Muni and Beppe Ronco - both have worked at Torino Distillati for over 20 years and are natives of the Piedmont Region. Having spent their careers making Vermouths and Aperitivos, they focused their attention on real innovation for The Hotel Starlino™ Range. They came up with the idea of ageing the Rosso Vermouth in Bourbon barrels after observing that the cask ageing imported a deliciously smooth, spicy flavour to the wine. For the Rosé and Arancione - they wanted to create a really fresh and natural flavour that mixed with tonic, soda, sparkling wine or was delicious on the rocks.

ELDERFLOWER

STARLINO ELDERFLOWER is made with an infusion of elderflower, citrus peel, herbs and spices combined with wine and spirit to make the most refreshing aperitivo.

Subtle but balanced flavour with notes of pear, lychee hints of soft sweetness, aromatic elderflower, elderberries, tangy citrus.

ROSÉ

Starlino Rosé is an Aperitivo made with Italian Grapefruit peel, Lemon peel and other herbs and spices. A clean, fresh delivery offers a light to medium bodied palate of plum and cherry flavours supported by soft, cleansing acidity. Cherry glacé finish is delightfully fresh and deceptively long as hints of rose petal emerge late in the after-taste.

STARLINO ROSSO

Starlino Rosso is aged in bourbon barrels – we age a portion of our vermouth in Kentucky bourbon barrels to give a rich spicy flavour. At 17% alc. Rich, fruity and enticing, this rich vermouth is warmed with notes of fig and dried cherries, and just faint hints of spiced gingerbread and bitter orange peel. Drinkable solo as an apéritif, or used as a cocktail-mixing favourite.

MARASCHINO CHERRIES

Exquisite all-natural Maraschino cherries matured for two weeks in their natural Marasca juice then rested for another week to achieve their peak flavour. The result, a delicious luxury cherry that is delightfully sweet and savory.

PAVARI

17

MADE TO BE NOTICED

THE REFRESHING VIBRANT APERITIF

We then infuse with 17 natural fruits and botanicals including aromatic bitters from the sun drenched hillsides of Italy and the fresh juice and zest of Spanish citrus fruits. This bittersweet aperitif has a rich and refreshing bouquet and a bold and vibrant taste that will excite your tastebuds.

An expertly crafted ready to serve spritz combining Pavari 17, with sparkling wine, a touch of citrus fruits and soda. Light and refreshing, not overly sweet and exceptionally crisp and vibrant.
